DECLARATION OF THE INVENTORS

FOR UTILITY PATENT APPLICATION (37 CFR 1.63)

First Named Inventor: Richard B. Kaner Attorney Docket Number:D501.

Title: Synthetic Method for Conducting Polymer Nanofibers.

I, (We) hereby declare that each inventor's residence, mailing address, and citizenship are as stated below next to their name. I (We) believe the inventor(s) named below to be the original and first inventor(s) of the subject matter that is claimed and for which a patent is sought on the above entitled invention.

This declaration is submitted as an original filing with the specification attached hereto, including:

☐ Preliminary Amendment Filed herewith, and/or

☐ Application Amendment Filed on: _____, _____, and _____, and having an Application Serial No.: _____.

I (We) hereby state that I (we) have reviewed and understand the contents of the specification identified above, including the claims, as amended by any amendment specifically referred to above.

I (We) acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I (We) hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
